

H-6
1/1/64
(7) I have Hoover's letter of 1/27/64 to Rankin, on Oswald as agent, where he confirms allegation in ~~the~~ Nation about Hosty's name, &c. As in other letters on this matter, JEH is curt. If you have any ~~further~~ further questions, "we would appreciate being contacted directly." That may mean something. (3 page letter.)
